2 x Shure SM58

1 X Shure Beta 52

1 x Shure Beta 91A

3 x Sennheiser E604 clip-on mics

DIs: 3 x Radial Active Mono DIs, 1 x Radial Stereo Passive DI

Mic Stands: 8 x K&M tall boom stands. 3 x K&M short boom stands

Cables: 20 x XLR cables, 4 x Speakon cables

Bands and clients please note:

Please ensure you bring your own good quality jack cables

Drummers please ensure you bring your own hardware, snare and cymbals as listed above.

There is a small Ampeg bass amp that you are welcome to use, but it has a faulty jack socket and the speaker is quite old so please bring your own or just monitor bass using the on-stage monitors.

If you are bringing a laptop or phone to play backing tracks, please bring your own mini jack to left and right jack y cable

A mini jack to phono cable will not work.
